1. To the extent not prohibited by federal law, the department of transportation, in cooperation with the supreme court, shall replace state general funds appropriated to the supreme court for court technology projects with federal highway safety funds. The department shall report to the joint appropriations interim committee not later than November 1, 2014 and not later than November 1, 2015 on any amounts of federal highway safety funds transferred to the supreme court to be expended for court technology.

2. The Wyoming state capitol shall remain open on Saturdays during Cheyenne frontier days. Of this general fund appropriation, two thousand dollars (\$2,000.00) shall only be expended to provide security services at the Wyoming state capitol on Saturdays during Cheyenne frontier days.

3. The department of transportation shall report to the joint appropriations interim committee not later than November 1, 2014 on opportunities to increase leasing of state-owned WyoLink communication towers and increase state and local government use of WyoLink communication towers for other communication purposes. No options shall be included that would result in interference of any WyoLink communications or conflict with federal communication commission regulations. The report shall include an estimate of the revenue that could be generated and a plan to implement any opportunities for enhanced state and local cooperation.

4. (a) The department of transportation aeronautics division shall report to the joint appropriations interim committee not later than October 15, 2014. The report shall include:

(i) The full cost of operation of the state's aircraft, including pilot and support salaries, fuel and maintenance. The maintenance component shall recognize scheduled upgrades and irregular maintenance such as hot section inspection, engine replacement and aircraft replacement;

(ii) The full cost of operation, including reserves for replacements, divided by the total air time, on average, over the last four (4) fiscal years;

(iii) A comparison of the costs of other public and private modes of transportation in order to determine the most cost effective transportation for state employees;

(iv) An analysis of costs versus utilization of state aircraft.

5. In addition to the requirements of W.S. 10-3-601, the Wyoming aeronautics commission shall expend appropriated funds associated with this footnote to enter into agreements to provide financial assistance to persons doing business or who will do business in the state, to economic development organizations within the state, to joint powers boards or to other entities formed to provide for enhanced air service to communities in Wyoming.

6. The department of transportation shall relocate the mountain man and Indian statues from the Frank Norris visitor center to the roundabouts at the high plains interchange or near the southeast Wyoming welcome center, including lighting and foundation construction.

7. Any general funds remaining in the railroad quiet zone account established by footnote in the agency's 2011-2012 biennial budget shall not revert to the general fund until June 30, 2016. This footnote is effective immediately.

8. The department shall develop a plan to mitigate impacts on noninterstate highways in the state with emphasis on highly traveled roads, especially those with truck and industrial or commercial traffic. The department shall identify opportunities for safety improvements through the use of, but not limited to, passing and turning lanes. The plan shall be submitted to the joint appropriations interim committee and to the joint transportation, highways and military affairs interim committee by September 15, 2015.

9. (a) Any funds deposited to the highway fund which are attributable to the increase in fuel taxes as provided in 2013 Wyoming Session Laws,

5. (a) Of this general fund appropriation, two million dollars (\$2,000,000.00) shall only be expended for the purpose of providing a state match for funds received by the university from athletic booster organizations or individuals donating funds to be used solely for athletic programs. Not more than one million dollars (\$1,000,000.00) shall be available for the period beginning July 1, 2014 and ending June 30, 2015, and not more than one million dollars (\$1,000,000.00) shall be available for the period beginning July 1, 2015 and ending June 30, 2016. This appropriation shall be retained by the state treasurer for distribution in accordance with the provisions of this footnote and only be expended for the purposes of:

(i) Authorized recruitment of prospective student athletes to the university and expenses associated with participation in intercollegiate athletics including summer school attendance, nutrition, ~~and tutoring,~~ team travel and costs directly related to participation in competition;

(ii) Athletic training equipment.

(b) None of these funds shall be used for salaries or capital construction projects.

(c) To the extent funds are available from this appropriation, on a quarterly basis the state treasurer shall match each cash or cash equivalent contribution actually received by the University of Wyoming for the purposes specified in this footnote for the period July 1, 2014 through March 31, 2015 by distributing to the university an amount equal to one-half (1/2) of the amount of qualifying contributions for the quarter. During the period April 1, 2015, through June 30, 2016, the distributions shall be in an amount equal to the amount of qualifying contributions for the quarter. The university shall provide reports of contributions received as required by the treasurer to implement this footnote.

(d) Notwithstanding any other provision of law, this appropriation shall not be transferred or expended for any other purpose not specified in this footnote and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2016. This

appropriation shall not be included in the university's 2017-2018 standard budget request.

6. Of this general fund appropriation one million dollars (\$1,000,000.00) shall only be ~~available for expenditure if the University of Wyoming's fall 2015 end of semester official enrollment of on-campus students in Laramie is at least six hundred (600) higher than the fall 2013 end of semester official enrollment of on-campus students in Laramie~~ expended if matched by seven hundred fifty thousand dollars (\$750,000.00) in any other university funds, external resources or in-kind match for management reporting and fiscal control improvements, including staffing needs, as proposed by the university and in accordance with the recommendations contained in the January 5, 2015 management audit report on file with the legislative service office. In its 2017-2018 budget request, the university shall report on expenditure of these funds, the total anticipated cost of the fiscal control and management reporting project, including a timeline, a plan to finance the project with general and non-general funds and a plan to reclassify existing bookkeeping and administrative personnel for operation of the fiscal control and management reporting system, including an estimate of the number of positions to be reclassified. This appropriation of one million dollars (\$1,000,000.00) shall not be included in the university's 2017-2018 standard budget request but may be included in an exception request.

7. Before proceeding with construction, the University of Wyoming's level III architectural design documents for the energy and engineering research facility (high bay) shall be reviewed and approved by the governor, in consultation with and upon the recommendations of the Wyoming governor's energy engineering and STEM integration task force. Upon the governor's satisfaction that the task force's recommendations have been complied with, the governor is directed to authorize the release of the funds to allow the university to move forward with the construction of the energy and engineering research facility.

8. Not later than November 1, 2014, the University of Wyoming, in consultation with the Wyoming community college commission and each community college, shall report to the joint education interim committee and the joint appropriations interim committee on the institutional and administrative changes needed to ensure credits earned at community colleges will transfer to the University of Wyoming and to the pursuit of an accredited degree program within the University of Wyoming. [WYOMING VALUE ADDED ENERGY AND INDUSTRIAL PLAN]

Section 334.

(h) There is appropriated from the general fund to the governor's office seventeen million two hundred seventy-five thousand dollars (\$17,275,000.00) for the purposes of this section. It is anticipated by the legislature, but is not binding on the governor except as otherwise provided in this section, that the budget to study or develop each potential project from the funds appropriated in this subsection will be as follows:

(ii) Fifteen million dollars (\$15,000,000.00) which may be expended in whole or part for:

(A) The integrated test center subject to subsection (n) of this section; or

(B) One (1) or more demonstration projects to develop beneficial use of carbon dioxide subject to subsection (o) of this section.

(o) The governor's office may use any portion of the funds specified in paragraph (h)(ii) of this section for the purposes specified in and subject to the requirements of this subsection. Funds shall only be expended pursuant to this subsection to contract with parties to develop demonstration projects to make beneficial use of carbon dioxide from flue gas produced at Wyoming coal fired plants. The project shall have the goal of developing beneficial use of the carbon dioxide on a commercially marketable scale within an identified timeframe and shall involve a tangible step to that goal by applying previously developed technology. It is the intent of the legislature that any expenditure of these funds shall only be for projects which primarily involve application of technology. Any project funded pursuant to this subsection shall be subject to the requirements of paragraphs (n)(ii), (iii), (vi), (vii), (ix), (x), (xii) and (xiii) of this

[UNIVERSITY OF WYOMING ENGINEERING BUILDING II]

Section 340.

(a) The University of Wyoming shall only expend authorized and appropriated funds under subsection (b) of this section upon approval by the governor and only after the governor finds that:

(i) After consultation with the Wyoming governor's energy, engineering, STEM integration task force, the design of the project will result in facilities that meet the goals and objectives of the tier 1 engineering initiative;

(ii) The budget for construction of the project is within available resources;

(iii) All matching funds appropriated for the project have been committed as a result of binding commitments; and

(iv) The university board of trustees has requested authorization to contract for expenditure of those funds for the project.

(b) Upon the governor's satisfaction that the findings in subsection (a) of this section will be met, the governor is directed to authorize the release of:

(i) Forty-nine million two hundred fifty-four thousand two hundred sixty-three dollars (\$49,254,263.00) from funds appropriated for construction of an engineering building at the University of Wyoming as appropriated in 2012 Wyoming Session Laws, Chapter 26, Section 3, Section 067, as amended by 2013 Wyoming Session Laws, Chapter 73, Section 3, Section 067;

f. Funds from this appropriation shall be directed to the state treasurer to be deposited into an account for distribution to the university athletic challenge account under W.S. 21-16-1001 through 21-16-1003. Notwithstanding W.S. 21-16-1001 through 21-16-1003, binding commitments for donations are eligible for the matching funds under this priority if the donation will be fully paid by December 31, 2020, and the state treasurer shall distribute to the university matching funds under this priority for any donation eligible for the match upon receipt of proof of a binding commitment for the donation.

g. Funds from this appropriation shall be directed to the state treasurer to be deposited into an account which shall be held by the state treasurer for distribution to the University of Wyoming for research by university faculty related to unconventional oil and gas reservoirs pursuant to agreements between the university and private or non-Wyoming public entities. All funds appropriated in this footnote shall only be available for expenditure to the extent cash or cash equivalent matches are actually received by the University of Wyoming for the purposes of university staff conducting the specified research pursuant to those agreements. The university shall provide quarterly reports of matches received as required by the treasurer to implement this footnote. The treasurer on a quarterly basis shall match reported cash or cash equivalents by distributing to the university an amount equal to the amount of qualifying matches for the quarter. Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207, unexpended, unobligated funds appropriated under this priority shall not revert until June 30, 2018.

h. Funds from this appropriation shall be directed to the University of Wyoming to be expended as additional amounts under the same constraints as monies provided in 2014 Wyoming Session Laws, Chapter 26, Section 2, Section 067, footnote 4.

j. Of this appropriation, the college may expend any amount necessary for purposes of the authorized design of the capital construction project.

k. In developing planning for and executing phase II of the top-tier science program, the renovation of the animal sciences-molecular biology wing of the animal science building to accommodate additional space for animal sciences shall be a priority of the university.

m. Of this appropriation, one million dollars (\$1,000,000.00) shall only be expended in equal amounts as private matching funds in not less than ten thousand dollar (\$10,000.00) increments are received by the department for job training and placement of eligible recipients in the temporary assistance for needy families program.

n. In its 2017-2018 budget request the university shall report to the joint appropriations interim committee on the expenditure of funds under this priority. The university shall include this appropriation in its 2017-2018 standard budget request.

o. If the military department is able to secure ingress and egress over the veterans' state cemetery road and bridge pursuant to Section 2, Section 007, footnote 7 of this act, the state loan and investment board is authorized to negotiate the purchase of easements or property from the federal government to ensure expanded access for local residents and is authorized to expend a reasonable amount necessary from this appropriation to secure the easements or property.

p. The university shall include this appropriation in its 2017-2018 standard budget request.

q. Funds from this appropriation shall be deposited into the primary care support account created by W.S. 9-2-127(b) for providing grants under W.S. 9-2-127(c) and (d).

r. This appropriation shall only be expended for program improvements identified and recommended in the top tier science initiative report submitted in accordance with 2014 Wyoming Session Laws, Chapter 26, Section 317, and on file with the legislative service office. In its 2017-2018 budget request, the university shall report on expenditure of these funds and plans for future implementation of the report's recommendations together with corresponding budget needs and a proposed timeline to fully implement the task force recommendations. The report shall acknowledge the continuation of the molecular biology program within the college of agriculture and identify any operational changes necessary for continued operation of that program within the college of agriculture as the initiative is implemented. The report shall be made in consultation with the task force established pursuant to section 317 of this act. Proposed state, private and grant funding sources shall be developed in conjunction with the University of Wyoming board of trustees and the University of Wyoming foundation.

s. Funds from this appropriation shall be directed to the University of Wyoming for a master's degree program in counselor education.

t. Funds from this appropriation shall be directed to the legislative service office for purposes related to section 349 of this act.

u. Funds from this appropriation shall be directed to the University of Wyoming and shall only be expended for development and implementation of a university-wide irrigation system independent of the city of Laramie potable water system. The university is authorized and directed to pursue future funds for this project through the Wyoming water development commission.

w. Funds from this appropriation shall be directed to the state treasurer to be deposited in equal amounts in the

endowment accounts created under W.S. 21-16-1103(a). These funds shall be expended to provide endowment matching funds in disciplines identified in a plan approved by the board of trustees of each community college, which plan shall contain an emphasis on disciplines directly related to Wyoming's economy.

[CONTINGENT APPROPRIATIONS FROM INVESTMENT EARNINGS DERIVED
IN FISCAL YEAR 2016]

Section 346. The state auditor shall calculate the amount by which earnings from the permanent Wyoming mineral trust fund attributable to the 2016 fiscal year are both in excess of the amount projected for such earnings in the consensus revenue estimating group's January 2015 report and less than the spending policy amount for fiscal year 2016 as determined pursuant to W.S. 9-4-719. The appropriations under this section shall not exceed the amount calculated by the state auditor. Notwithstanding any other provision of law, appropriations under this section shall not be transferred or expended for any other purpose and shall not be included in any agency's 2017-2018 standard budget request, unless otherwise specified. Notwithstanding W.S. 9-2-1008, 9-2-1012(e) and 9-4-207, any unexpended, unobligated funds remaining from these appropriations shall revert as provided by law on June 30, 2018, except that appropriations in this section for any capital construction projects remain in effect until the project is completed and appropriations deposited to any other account or fund in this section shall remain in those accounts or funds. To the extent funds are available, the appropriations shall be made available as soon as practicable on or after June 30, 2016, but not later than sixty (60) days after the end of the 2016 fiscal year. In the event there are insufficient funds to accomplish the purposes of all appropriations in this section, appropriations shall be made in priority order, with the total appropriation funded for each priority before funding the next priority as specified. Prior to funding any priorities within this list after priority number two (2), any priorities not funded or

g. Funds from this appropriation shall be deposited in the state facilities construction account created by 2014 Wyoming Session Laws, Chapter 26, Section 300(h).

h. This appropriation shall only be expended for purposes of air services enhancement - assistance, unit 1002 within the department of transportation budget.

j. This appropriation shall be deposited to an account referenced in and subject to the same conditions established in 2014 Wyoming Session Laws, Chapter 26, Section 3, Section 067, footnote 2.

k. This appropriation shall be deposited into an account in the state treasurer's office and shall be available to the department of transportation if matched by not less than two hundred thousand dollars (\$200,000.00) for the cooperative construction of the Moose-Wilson road bike path for continued historic access on these national park lands within Wyoming.

m. This appropriation shall be deposited into the industrial park savings account, which is hereby created. All funds within the account shall only be available for expenditure as specifically authorized by the legislature.

n. This appropriation shall be deposited into the disaster reserve account, which is hereby created. To the extent funds are available in the disaster reserve account the funds are continuously appropriated to the governor's office. The governor may only expend available funds on state planning for and responses to natural disasters including wildland fires, floods, tornadoes or similar events. The governor shall report to the joint appropriations interim committee immediately upon authorization of any expenditure from this account.

o. (a) If 2015 SF0059 is enacted into law, this appropriation shall be deposited into the Wyoming public television endowment account created by that act. If 2015 SF0059 is not enacted into law, this appropriation shall be deposited into the Wyoming public television endowment account, which is continued from 2008 Wyoming Session Laws, Chapter 48, Section 2, Section 057, footnote 1 and shall be administered as follows:

(i) Funds from the Wyoming public television endowment account shall be transferred by the state treasurer to a Wyoming public television matching funds account to equally match each cash gift received by Wyoming public television and deposited to the matching funds account. A match shall be paid by the state treasurer from the Wyoming public television endowment account at the time any accumulated amounts actually deposited to the matching funds account total ten thousand dollars (\$10,000.00) or more;

(ii) The state treasurer shall make transfers to the Wyoming public television matching funds account not later than the end of the calendar quarter following the quarter during which gifts to the matching funds account total at least ten thousand dollars (\$10,000.00). If gifts are made through a series of payments or transfers, no matching funds shall be transferred under this footnote until the total value of all payments or transfers actually received totals at least ten thousand dollars (\$10,000.00);

(iii) Funds in the matching funds account shall remain inviolate and only the interest income earned from investments of the monies in the matching funds account may be distributed. The state treasurer shall distribute income from the matching account to the community college commission annually. The commission shall distribute these funds together with other appropriated funds to the central Wyoming community college district board for the operations and programming of Wyoming public television pursuant to W.S. 21-18-105(b); and

p. Funds from this appropriation shall be directed to the state treasurer to be deposited into an account which shall be held by the state treasurer for distribution to the Wyoming wildlife and natural resource trust account created by W.S. 9-15-103(a). Such funds shall only be available for deposit into the Wyoming natural resource trust account to the extent cash or cash equivalent contributions are actually received by the state. On a quarterly basis the treasurer shall match received donations by depositing an amount equal to the amount of qualifying contributions for the quarter to the Wyoming wildlife and natural resource trust account.

[STATE FACILITIES - CASPER]

Section 347.

(a) The department of workforce services and the department of administration and information, construction management section, shall obtain an appraisal of the properties and facilities owned by the department of workforce services, located in Casper, Wyoming, prior to their disposal. The department of administration and information shall develop a plan to construct a new facility or facilities to accommodate the personnel currently located in the facilities which may be sold and other state personnel currently located in or around Casper, Wyoming, as the department of administration and information deems appropriate and efficient. No site shall be purchased nor shall any existing state-owned facility or facilities related to this project be sold without approval of the state building commission as provided in W.S. 9-5-102(a). The department of workforce services and department of administration and information shall prepare a report to be delivered to the joint appropriations interim committee and the state building commission on or before July 1, 2015. The report shall:

in the event reserves in the office of state lands and investments' forestry division, homeland security natural disaster contingency and the governor's office disaster contingency budget have been exhausted. The governor shall report to the joint appropriations interim committee, the president of the senate and the speaker of the house immediately upon exercise of this authority and shall make a budget request at the next available opportunity to repay any expended funds not repaid from other sources. Interest paid on the amounts borrowed shall be the average interest rate earned on pooled fund investments in the previous fiscal year.

(b) At the recommendation of the director of the department of administration and information and with the approval of the governor, the state auditor and state treasurer are authorized to borrow from pooled fund investments up to twenty-two million dollars (\$22,000,000.00) necessary to meet cash flow requirements of the employees' and officials' group health insurance plan. The governor shall report to the joint appropriations interim committee, the president of the senate and the speaker of the house immediately upon exercise of this authority. The director of the department of administration and information shall report to the joint appropriations interim committee and the governor within thirty (30) days of exercise of this loan authority with a recommendation on the change of employee payroll deductions, an increase in employer paid premiums, other modifications to the plan or any combination thereof. Interest paid on the amounts borrowed shall be the average interest rate earned on pooled fund investments in the previous fiscal year.

[GAME AND FISH LARAMIE FORENSIC LABORATORY SALE]

Section 351. The game and fish department, through the construction management section of the department of administration and information, is authorized to sell the game and fish forensic laboratory in Laramie. The sale price shall be the greater of the current appraised value or the price

paid for the facility, including any renovation or renovation design work procured by the state. Proceeds from the sale of the forensic laboratory are hereby appropriated to the game and fish commission. The game and fish commission, through the construction management section of the department of administration and information, shall only expend these funds for capital construction, modification and renovation of the game and fish regional office property in Laramie as approved by the game and fish commission. Any lease payments generated from the rental of the forensic laboratory are hereby appropriated to the game and fish commission. The lease payments and up to one million dollars (\$1,000,000.00) of game and fish funds are authorized to be used for design, capital construction, modification and renovation of the game and fish regional office in Laramie.

[FORESTRY INITIATIVE]

Section 352. There is appropriated from the emergency fire suppression account created by W.S. 36-1-402(a) up to seven hundred five thousand dollars (\$705,000.00) to the governor's office for the purposes of implementing the recommendations on the governor's task force on forests. One (1) time-limited full-time employee, serving as a partnership and outreach coordinator, is authorized to assist in implementing the recommendations. Notwithstanding any other provision of law, this appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation shall revert as provided by law on June 30, 2016. The position and the appropriation within this section shall be considered one-time funding and shall not be included in any agency's 2017-2018 standard budget request.
